**March 6, 2002**

**To Whom It May Concern:**

**This letter will serve as our strong recommendation of American Restoration Inc. as an applicator of exterior acrylic coatings on building surfaces. They have successfully completed dozens of applications of this and similar coatings for us over the past twenty years, and, quite frankly American Restoration Inc. is easily the most skilled coating contractor of the many we work with each year.**

**Cordially,**

**ROY HARPER, AIA**
